

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF EAST)	CASE NO. 90-002-K
KENTUCKY UTILITIES, INC.)	

O R D E R

On October 10, 1990, the Commission issued its Order in Case No. 90-002 approving certain adjustments and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On July 3, 1991, East Kentucky Utilities, Inc. ("East Kentucky") notified the Commission that its wholesale cost of gas will be decreased by its supplier, Kentucky-West Virginia Gas Company ("Kentucky West"), effective July 1, 1991, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. East Kentucky's notice of July 3, 1991 set out certain revisions in rates which East Kentucky proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$37,787 or 34.92 cents per Mcf.

2. Kentucky West filed with the Federal Energy Regulatory Commission for decreased rates to become effective July 1, 1991. The effective date for East Kentucky's decrease should be on and after July 1, 1991. Kentucky West's rates are subject to refund; hence, East Kentucky's rates should be subject to refund.

3. East Kentucky should file with this Commission the amount of any overcollections received from July 1, 1991 to the date the approved rates are implemented, along with a refund plan.

4. East Kentucky's adjustment in rates under the PGA provisions approved by the Commission in its Order in Case No. 90-002 dated October 10, 1990 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after July 1, 1991, subject to refund.

IT IS THEREFORE ORDERED that:

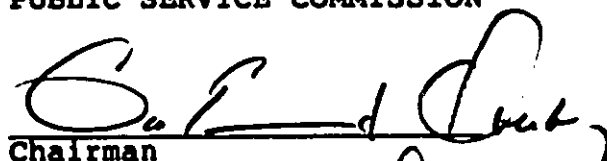

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable, and are approved effective with gas supplied on and after July 1, 1991, subject to refund.

2. Within 30 days of the date of this Order, East Kentucky shall file with this Commission its revised tariffs setting out the rates authorized herein.

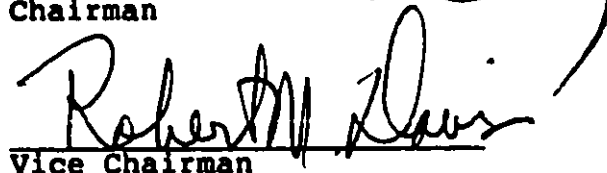

3. Within 30 days of the date of this Order, East Kentucky shall file the amount of excess revenues collected, along with a refund plan.

Done at Frankfort, Kentucky, this 23rd day of July, 1991.
